

# Integrity

**Sub-Concepts Covered: Honesty, Kindness**

Kindness in the Classroom lessons teach kindness skills through a step-by step framework of Inspire, Empower, Act, Reflect and Share. Each lesson starts with the ‘share’ step to reinforce learning from previous lessons. The ‘act’ piece is woven into the lessons but really takes place in the projects.

In the Integrity Unit, students learn the value of acting and living with integrity. They will see real-life stories of integrity in action and get an opportunity to role-play stories about integrity and honesty. They will also complete a personal Integrity Inventory. The sub-concept in this unit is honesty, which is a familiar topic that will allow students to build towards a better understanding of integrity.

## Unit Objective

Students will:

- Analyze integrity through the lens of kindness.
- Analyze integrity through the lens of honesty.
- Analyze personal integrity through a personal inventory.

## Student Introduction

Welcome to the Integrity Unit! In this unit, you will get to see other kids in situations where they get to express their integrity through their words and actions. It is inspiring to see someone else act with integrity - being honest, working hard, choosing to do the right thing. Let this inspiration guide you in building your own ability to make good choices, be honest, persevere through challenges, and live a life of integrity!

- Making good choices
- Acting honestly
- Persevering through challenges
- Examining personal integrity levels

Let's get started with our first lesson!

## Unit Lessons

Lesson Title	Lesson Objectives	Materials Required
